

Thank you so much for visiting at Abiding Love! We know that searching for just the right preschool to “fit” your family can be challenging, and we are happy to help you with that process.

We would like to make you aware of a few things about our enrollment processes.

1. We do not charge for our waiting list. We take your waiting list form, and we file it based on your child’s age. We ask that you keep in touch with us monthly to let us know that you are still interested in a spot for your child, should one become available. We do not call people we have not heard from in more than 3 months. Waiting lists are only good for the current school year. Upcoming school years are first come, first serve on our open enrollment dates. The open enrollment dates are as follows:
 - a. Half-day Program
 - i. 2022-2023 School Year February 15, 2022
 - b. Full-time Program
 - i. Summer 2022 March 21, 2022
 - ii. 2022-2023 School Year April 11, 2022
2. On occasion, people want us to “hold” a spot for them until they decide, have time to come in, etc., but we are not able to do this. You are not officially enrolled until you turn in your registration fee to the director or assistant director. We recommend that you do not give up spots at other centers or make major decisions simply based on the knowledge that we have a spot available. Sometimes spots go quickly, and sometimes they do not. It is unpredictable, so we do put the responsibility on each family to confirm registration.

Please call us anytime if you have questions about our Center or even general questions to help you select the right place.

Blessings,

Debbie Tonne

Director
